## THE PRINCIPLES OF THE PRINCIPAL

**“The people walking in darkness have seen a great light; on those living in the land of deep darkness a light has dawned... For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace.”**  
**Isaiah 9:2, 6**

Dear Parents,

Merry Christmas! The most wonderful time of year is here to celebrate at last! I realize that for some, this time of year can be stressful, hurried, and downright depressing. And I guess, if we allow ourselves to get caught up into the commercial aspect of Christmas or focus on “keeping up with the neighbors” in regard to decorations and gift giving, we can all become a little overwhelmed. However, this is all the more reason that we all need to stay focused on the fact that Jesus truly is the reason for the season.

This time of year, more than any other, people are looking for love. They want to feel the love, experience the love of a kindred relationship, and enjoy the family and loved ones around them. And while love is the emphasis at Christmas, if we do not remember the one who is love and gives us love unconditionally, we will lose sight of reality this time of year and become a sentimental washout with no real substance as to who we are celebrating and why. It is precisely because of this type of thinking that we have cynicism and skepticism about the Christmas holidays.

This is why it is critical that we teach our children the true meaning of Christmas, so that when they grow up, regardless of their circumstances, they will be able to experience love, peace and joy each and every day of the year, and especially at Christmas.

The Bible reminds us that “God is Love.” (1 John 4:7) In fact, the Apostle John states that if we do not have compassion and love for our fellow man, we do not know God at all. If someone has any contact, or any type of relationship with our Father in heaven, He will always teach us first and foremost, that love is not simply an attribute of who He is, but that He is love. The amazing miracle of Jesus being born into this very dark world is that He became the personification of love for everyone. If you want to see love in action, look at the life of Christ. Everything you read about God in the Bible, everything you know about the life of Jesus Christ, is the reflection of true love. His life was not a life of emotional sentiment as we see on the holiday Hallmark channel, but is a love that makes sacrifices for others, gives to others and has compassion on the needs of others- to the point of laying down His life for all of mankind.

**“This is how we know what love is: Jesus Christ laid down his life for us. And we ought to lay down our lives for our brothers and sisters.”**  
**1 John 3:13**

This Christmas, my hope and prayer for all of my friends and family is that we might focus on the Christ child who willing came to this earth to demonstrate true love to all of mankind. And that in so doing, we might better learn how to have real love and compassion in regard to those around us; and not just for those who can love us back, but especially for those who cannot. This would include spending time with little children who desire nothing more than to be loved; it would include those family members and friends who are seemingly “unlovable”; and it would include all those in need whom God puts in your path to minister to each and every day of the year.

The true spirit of Christmas is love- giving and receiving love through the lives of others, not necessarily through the commercial gifts we place under the tree. Don't misunderstand me, giving gifts is not wrong, but it is not the end all, be all of Christmas. True gifts that people really enjoy are those where you share a part of yourself. Whether it be through a visit to someone's home, a walk in the park with your children, helping a neighbor in need, or simply taking the time to pray with someone who expresses a need that you cannot provide. Prayer gives hope, and hope leads to faith, and true faith in God is demonstrated in love!

**“And now abide, faith, hope and love. But the greatest of these is love!” I Cor. 13:13**

May we all be more mindful of the love the Christ child brings to our lives this Christmas and intentionally share that love with those around us throughout the new year.

This Christmas, in particular, there are many ways to show your love to your child right here at school. You may have heard of the Twelve Days of Christmas, well here I am going to give you the Twelve “Ways” of Christmas to share love with your child:

1) Make sure you bring your children to school on time, especially these next two weeks, as we are rehearsing diligently for their formal school Christmas program, The Gift, each day. (LOL- I just had to throw that one in for good measure!)

2) Bring your child, family, and friends to see a Christmas Program or share together an outdoor Christmas event. We are having one on Sunday, Dec. 17th , after the 11 AM Worship Service. You all are invited to attend. At the outdoor Christmas Family Fun Day we will have a picnic on the grounds with free hot dogs, face painting, cotton candy, bounce houses and a time for children to take pictures with Santa.

3) Attend church each Sunday to celebrate the birth of Christ throughout the Advent Season.

4) Bring your entire family to see your child’s program on Tuesday evening, December 19th, at 7:00 PM. (Children need to be dressed and in their classrooms by 6:30 pm.)

5) Take your child out to purchase a book to exchange with a classmate at their class Christmas parties on Thursday, December 21st.

6) Take your child Christmas shopping and buy a gift for them to give to someone in need.

7) Come and have Breakfast with Santa on Friday morning with your child, December 21st at 9 AM. (Don’t forget school closes half day at 12:30 pm that day.)

8) Go ice skating at the local rink down the street and have a cup of hot chocolate later.

9) Bake Christmas cookies with your child, decorate them, and then eat them!

10) Bring your child and the entire family to our annual Christmas Eve Candle Light Service on December 24th at 6 pm to celebrate Jesus’ birthday.

11) Read the Christmas story from a child’s Bible with your child before he/she goes to bed on Christmas Eve. (And don’t forget the classic “The Night Before Christmas”.)

12) Celebrate the birth of our Savior with your entire family on Christmas Day!

I do hope that you will take my list seriously and take the time to see how many of these 12 Ways of Christmas you can accomplish by December 25- you can do it!

Thank you parents for participating in our Food Drive and Operation Christmas Child shoebox collections throughout the month of November. We were able to feed over 30 families and send over 800 shoe boxes all over the world. Congratulations to Ms. Denai's 3rd and 4th Graders for bringing in the most food and Ms. Barbie's 1st Grade class for bringing in the most shoe boxes! Both classes will be rewarded with a special class party at the time of their choosing. Way to go kids! Keep up the great work.

May you and your family have a wonderful Christmas celebration and a truly blessed New Year!

In His Love and Service,  
Dr. Estelle C. Myers

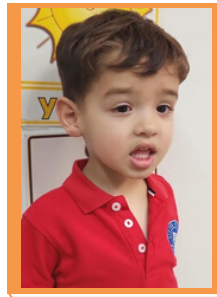

# MIGHTY 2'S

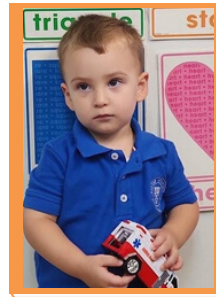

MS. MYRIAM ROJAS & MS. TIFFANY LUCK

Hello Parents!

I would like to thank you all for your effort and support that you have given to have excellent results in our activities. Thank you to all of those who have helped us in making it possible. In the month of November, our children participated in decorating table centerpieces which were designed with their fingerprints to form a turkey and then used in our family lunch gathering. During this time of the year the kids were able to see different colors of leaves and the transformation of colors in water. We also spend our time with animals this season. Our kids were able to feed them and enjoy the presence of numerous animals at our amazing time on the field trip on the farm on campus.

**CAMERON CABEZA**  
STUDENT OF THE MONTH

**LUCAS BARRIEL**  
STAR STUDENT

Now this month of December we are ready for a season full of joy, celebration, and lots of Christmas spirit. This month we will continue to work with shapes, colors, and bible curriculum. Like every month we have picked a Student of the Month, Cameron Cabeza. Cameron is a smart boy, independent, and responsible. He recognizes almost all the alphabet letters, numbers, and recognizes the basic shapes for his age. Our Star Student is Lucas Barriel. Lucas is a very sweet boy and likes to give hugs and kisses to the teachers and friends. He loves to clean up and likes to share with his friends. Lucas is a great helper.

This month we will be reviewing the Bible verse, **"Make a joyful shout to the Lord."** Psalm 100:1 The godly character traits we will be teaching are joy, giving, and sharing. In class the children will color and decorate Christmas trees and we will have our book exchange where Pastor Dann Seifert will visit the class and play a few special songs for us.

We pray you and your family have an amazing Christmas celebration and hope you can join us for all of our Christmas activities.

Be Blessed,  
Ms. Myriam & Ms. Tiffany

# BLESSED 3'S

MRS. SHIRLEY SERNA &  
MS. ANDREA BARRETO

Dear Parents,

November was a wonderful month. The children have enthusiastically worked on the corresponding units of the month, as time goes by they adapt more to the routine and schedule of the course.

We were working on unit 5 My Family Is Special and unit 6 My Community Has Helpers. The character trait we worked on last month are Thankfulness, Peace, Listening/Understanding. Our Bible verse last month was, **"Give thanks to the Lord, for He is good." Psalm 106:1** The objectives were learn how to be grateful for all things, understands that God loves a grateful heart, learn to give thanks to God before meals and say prayers individually in front of others. In November the children had Petting Zoo on campus and they enjoyed it very much. We also had our Thanksgiving Lunch and we thank you for joining us and supporting us in this activity, in the Thanksgiving Basket, in the Open House and Cookie Dough Fundraiser, thank you so much.

**APOLLO SIMMS**  
STUDENT OF THE MONTH

**ABIGAIL LLANES**  
STAR STUDENT

Our main theme in December will be "God's Gift to Me". The character traits we will be learning are: "Joy", "Giving", and "Sharing." Our Bible verse this month is, "Make a joyful shout to the Lord." Psalm 100:1. In class we will be making cute Christmas crafts, enjoy a Christmas breakfast recipe and much more!

Apollo Simms is our Student of the Month, he has shown his ability to learn and respond well in regard to all of our topics taught. Abigail Llanes is our Star Student, who is very respectful of her classmates. Congratulations to you both!

We wish you and your family a blessed Christmas!

God Bless you all,  
Ms. Shirley & Ms. Andrea

# VPK

MRS. CATALINA DEL REAL & MRS. MARIA JOSE GROSSY

### Looking Back...

November marked the beginning of the holiday season. The children had various activities relating to the Thanksgiving holiday. They happily practiced and performed their songs and made their placemats for the Thanksgiving luncheon. We would like to send a special "thanks" to all the parents who participated in the luncheon. Our campus field trip with "The Farm", was a huge success with the kids. The children interacted very well with all kind of different animals. However, their favorite part was riding the ponies.

Congratulations to our Student of the Month, Julian Ruiz. It's amazing how fast Julian is learning the sight words, counting, doing puzzles, etc. Above all, Julian loves to play in the Block Area, and he loves to read books at the Reading Area. Excellent job, Julian! Our Star Student is Jayda Lima. Jayda is a mature little girl. She helps her friends by showing kindness in so many ways. She is always polite to all of her friends and teachers. Thank you, Jayda for doing such a great job! Congratulations to both. May God keep you on His right path at all times!

### Looking Ahead...

Christmas is here and with it the end of the year 2023. Now is a time

for reflection and change for many. But we must come to realized that the real meaning of Christmas is celebrating the birthday of our Savior, Jesus Christ! Joanna Fuchs expresses this reminder so well in her poem "Practice Jesus":

"If we practiced Jesus every way,  
it'd be like Christmas every day.

If we, like Him, were meek and mild,  
and loved each woman, man and child.

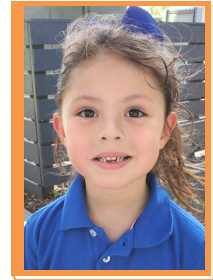

If we'd read our Bible, it'd remind us,  
so that every single day would find us.

More and more in sweet accord with  
our sweet Jesus--Master, Lord. Then  
every day that we're alive, would be  
like December 25."

This month our theme is "Animals Everywhere". We will learn about all kinds of animals. Using the topic "I Love Animals", we will read stories about wild animals, farm animals, and pets. The second week we will learn about "Animals We Know" and the third week we will learn about "Animals on Land and Sea." In writing, the children will practice the correct strokes used to make the letters Ff, Aa, and Zz. We will work on trying to identify 10 or more letters by name. Along with letters we will describe objects beginning with the same sounds. In Reading, the children will continue to add new words to our growing sight word list. We will continue working on the sequence of a story, drawing conclusions, categorizing, predicting, describing similarities and differences, identifying content, specific vocabulary, and practicing independent writing of letters, words, and their own names.

**JULIAN RUIZ**  
STUDENT OF THE MONTH

**JAYDA LIMA**  
STAR STUDENT

In Math, the children will use numbers to estimate, describe similarities, differences, and sorting. We will talk about data from graphs and identify the use of a calendar. In Social Emotional/Content, the children will continue to follow class rules and routines, respect others, ask for help, and understand responsibility for caring for the environment and living things. In Bible Time, we will hear the stories of: "Jesus Was Born in Bethlehem", "The Angels and the Shepherds Spread the Good News", and "Wise Man Follow the Star and Bring the Gifts". The Bible verse is: "Make a joyful shout to the Lord" Psalm 100:1. For the Character Development traits, we will be focusing on: "Joy, Giving, and Sharing".

We wish you a very Merry Christmas, and a Happy New Year. Many blessings to all our Lifted Academy families!

Ms. Catalina del Real & Ms. Maria-Jose Grossy

# KINDERGARTEN

MRS. DALIANA CORRALES

Welcome to December Dear Parents!

The most beautiful season is here with all the light and hope of all waiting for Jesus' birthday. Parents, thank you for your continued support of our monthly events. Thank you for your donations of gifts for the people in need and for attending our spaghetti night and Thanksgiving celebrations. The Kindergarteners really enjoyed showing you their hard work at school and they are always delighted to have you participate in their school activities.

The Bible verse for November was: "Give thanks to the Lord, for he is good" Psalm 107:1. The children learned how fortunate they are to have a family, a house, a school, and to live in a free country. They also learned why they have to be so grateful to God for all of these blessings that He gives us every day. In regard to the Bible, they enjoyed learning about Joseph and Moses, and now we are going to learn what Christmas is all about - Jesus!

The students are excelling in both Reading and Math! They are reading at their own level and continuing to increase their knowledge daily. They know how to count, write, and recognize the numbers up to 50 (one to one and corresponding to count by 10s). They understand basic concepts of Mathematics including but not limited to: what comes before, after, and in between different numbers. In Math, we will focus on simple addition and subtraction. In Science, we will be continuing to learn about animals and their characteristics.

This month, the students will be starting a new writing experience which involves a little Elf to inspire them to start writing their own sentences. The students will be required to bring the little Elf that I will be giving them. I would love for you to be my accomplice in this experience and try to move it every night without your child noticing the Elf in different places around your house so that the students come to school excited to tell me what their Elf did last night. I expect them to start writing about their Elf's experiences in their journals.

This month, I have some students that I would like to recognize and congratulate. I would like to congratulate Benjamin Myers as our Student of the Month. Benjamin has improved so much! He is doing very well academically, he reads well, he loves to hear the Bible stories, and he is doing great in Math as well. I chose him because he always tries to be on time, he is very competitive, he does his homework and classwork by himself, pays attention, and participates in class. I would also like to congratulate Annabelle Valentin as our Star Student. Annabelle has shown the godly characteristic of love, as she is so friendly and helpful to everyone. She is also doing very well academically. Annabelle is very kind to her friends and other classmates. When she sees one of her friends getting in trouble, she comes to me and defends her friend like a very good lawyer. And to make her friends happy, she will always give what she has to please her classmates. Congratulations to both of them and keep up the great work!

**BENJAMIN MYERS**  
STUDENT OF THE MONTH

**ANNABELLE VALENTIN**  
STAR STUDENT

Our PTF meeting is on Thursday, Dec. 7th at 7:00 pm. Please save the following dates on your calendar so that you can come and enjoy our Christmas activities: Christmas Show on Tuesday, December 19th at 7:00 pm. Breakfast with Santa on Thursday, December 21st, as well as, our Christmas party. Remember this day is only a half day.

Thank you, parents, for all you do! I hope the magic of Christmas fills every corner of your heart now and brings happiness and joy to you and your family. If you have any questions or concerns, please don't hesitate to reach out to me. I am here to help you. Merry Christmas and Happy New Year.

God Bless you,  
Mrs. Daliana Corrales

# 1ST GRADE

MRS. BARBARA ARROYO

Hello parents,

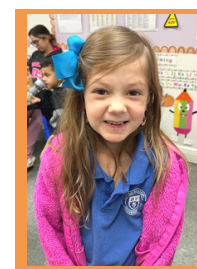

What a wonderful time we all had during the month of November. This is always an exciting time to reflect on all the things we are thankful for and for all of God's blessings. The children had plenty of opportunities to do just that. One way the children showed their thankfulness was by helping those less fortunate by donating food for our Thanksgiving Food Drive. Thank you to all who donated canned and dry goods. Another way the children were able to show thankfulness was by making shoeboxes for children through our Operation Christmas Child event. Thank you to everyone who turned in a box. One of the many awesome activities the children were able to enjoy was the on-campus animal farm. It was a joy to see the children having fun riding the ponies and feeding the animals. We celebrated Thanksgiving with a beautiful lunch and the children were the cutest Indians in the whole school. I want to congratulate the kids on their amazing job they did with their song and poem.

The fun is not over yet. We have many great activities coming up this month of December that we are all busily preparing for. Such as: the Christmas Show, Breakfast with Santa, and Christmas class parties.

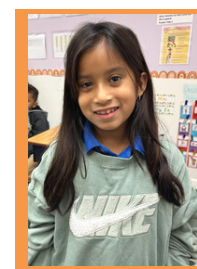

Academically in November, in Phonics and English, we continued with unit 2. We focused on the -ed, and -ing suffixes. We also learned about the -th and -wh letter blends. We reviewed what syllables are and we learned how to determine the number of syllables a word contains. We also continued to work on proper sentence structure and reviewing the short and long vowel sounds. For Math, we continued to learn about money, how to identify different coins and their value.

We also learned our addition facts to twelve and how to use a number line to count. For Science, we continued to learn about living and non-living things. We focused on animals and distinguishing between birds, fish, and mammals. In Heritage Studies, we continued to learn about jobs and the difference between a need and a want, as well as the difference between goods and services. For Bible time this month, we learned about Samuel. We also continued learning about Moses and how he rescued his people from the land of Egypt. Our monthly Bible verse was "Give thanks to the Lord for He is good." Psalm 106: 1. Now that we have seen what we did in November academically, I have some students I would like to congratulate.

I would like to recognize Scarlet White as our Student of the Month. Scarlet participates in all classes. She tries hard to maintain good grades and behaves well. I also would like to recognize Jasmine Martinica as our Star Student. Jasmine has shown the godly characteristic of thankfulness and is setting an example for others to follow. She is also very loving to all of her friends and classmates. Congratulations to both of you, keep up the magnificent work. Let us now look at what we will be learning in the month of December. In each of our subjects we will be learning a lot. In Phonics and English, we will be learning about all the long vowel sounds. We will be reviewing proper nouns. We will also learn about past tense and present tense verbs and how to use them in a sentence. For Math, we will be learning all about the clock and how to tell time. We will also be learning how to properly read a calendar. For Science, we will finish our lessons on animals and how God created them to survive and grow. In Heritage Studies, we will finish our unit on jobs and start our unit on our land. We will focus on ways people care for God's earth and how living things interact with their environment.

SCARLET WHITE  
STUDENT OF THE MONTH

JASMINE MARTINICA  
STAR STUDENT

For Bible, we will learn all about the real meaning of Christmas and we will prepare for our Christmas show to be held on December 19th at 7:00 PM. Our Bible verse for the month is "Make a joyful shout to the Lord." Psalm 100:1. Not only will the children be doing things academically, but they will also be doing fun things that you do not want them missing out on. Please be sure and look at the calendar in the newsletter so that you are aware of all the upcoming activities.

Thank you, parents, for all you do for our children and for helping make our class the success that it is. If you have any questions or concerns, please do not hesitate to ask. I am here to help you in whatever you may need.

Have a very Merry Christmas and a prosperous New Year.

God bless you,  
Mrs. Barbie

# 2ND GRADE

MS. LINDSAY RUIZ

Dear Parents:

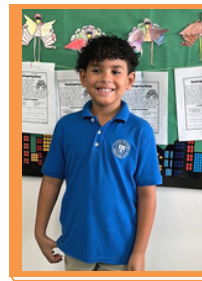

November was a month in which we expressed our gratefulness and thankfulness for everything we have. The students did a great job in their Thanksgiving performance. I am very proud of them all. During the month of November, I've been introducing important new concepts for all subjects. In Phonics and English, we worked on how to write a personal story. The students were very creative at writing stories. The students learned about sentence structure: topical sentences, the main idea, order details, and ending sentences properly. For Math, my second-grade students learned how to do "Subtraction of 2-Digit Numbers," using manipulatives.

During our Bible class we learned about "God's Creation". In Science we learned about "How the Earth Moves" and many facts about each planet. The students had a project where they got to research fun facts about their assigned planet. In Heritage Studies, we studied "Buying and Selling". The students learned that people have many needs and wants. They need food, clothes and many more things. God wants people to help each other find these good things. The students also enjoyed teamwork collaboration on buying and selling goods.

During the month of December, we will have fun decorating our classroom and getting into the Christmas Spirit. We will do many art crafts and do a tree contest. We will continue learning new lessons in each of our subject areas. In Phonics and English, I will introduce "Nouns" and explain how God uses many nouns in the Bible to talk about people, places, and things. In Science the students will learn all about "What Natural Resources Are" how God created the earth for his glory. He gave us natural gas to heat our homes and cook our meals. In Heritage Studies we will learn about "People and Places" by identifying the regions in the United States, landforms, bodies and waters.

**VALENTINA HERNANDEZ**  
STUDENT OF THE MONTH

**JORDAN LINDO**  
STAR STUDENT

Last, I would like to congratulate Valentina Hernandez as our Student of the Month. She participates in class discussion. She is compassionate and shows empathy and understanding towards others. She is also a team player, which is crucial in both academic and extracurricular activities. She loves to collaborate, share ideas, and contribute to team group assignments.

I would also like to congratulate Jordan Lindo as our Star student of the month. He is honesty, a trustworthy and shows ethical principles Which is essential for maintaining a positive learning environment. He is very compassionate towards his classmates. He shows empathy and cares for his peers. Jordan is also a good listener and very understanding towards. For the month of January, we will continue learning and enjoying our subject areas in fun ways. This month will be a memorable month as we celebrate the birth of Christmas, and we have our Christmas show as well. Have a blessed season!

God Bless,  
Ms. Lindsay

NEVER LEAVES

# 3RD & 4TH GRADE

MS. DANAI PADRON & MS. ROSALIE DE ARMAS

Hello Parents,

The month of November seems to have flown by. It was an exciting month with lots of things happening. The children had a great time with all our Thanksgiving activities. Parents and students also enjoyed our Fall Open House dinner. Now that the fun aspects of this month have been mentioned, let's discuss what the children did academically.

**Psalms 106:1 says, "Give thanks to the Lord for He is good."** The character traits for November were thankfulness, peace, and listening/understanding. The children understood the importance of giving thanks to Jesus before meals and how to be grateful for all things. In Math, the students learned to compare numbers and addition with renaming. In Science, they learned to recall what sound is and to identify causes of sound.

Now that we have gone over what the students learned in the month of November, lets discuss what the students will be learning in the month of December. **Psalm 100:1 says, "Make a joyful shout to the Lord."** The students will be learning the true meaning of Christmas during the month of December. In Math, the students will be learning Multiplication and Commutative Properties. In English, they will learn proper nouns and abbreviations. In Science, they will be learning about warm-blooded mammals.

**BRUCE MOMPIERRE**  
STUDENT OF THE MONTH

**RAFAEL MAESTRE**  
STAR STUDENT

I would like to congratulate Bruce Mompierre as our Student of the Month. Bruce is doing great academically. He loves to participate in class and enjoys finishing his assignments on time. I would also like to congratulate Rafael Maestre as our Star Student. Rafael is a student that shows thankfulness at all times and he is always trying to help me as well as the other students.

I would also like to remind you that the school Christmas program will be taking place on Tuesday, December 19th and that the school will be closed beginning December 21st at 1:30 PM. We will resume class on January 8th .

Thank you, parents, for all that you do for our classroom.

God Bless You,  
Miss Danai
